

Tasar Worlds 2009

18TH - 27TH SEPTEMBER 2009
WAKAYAMA, JAPAN

THE NEXT VENUE WILL BE IN WAKAYAMA, JAPAN, IN SEPTEMBER 2009,
RACING TO TAKE PLACE IN WAKAYAMA MARINA CITY!!

WAKAYAMA, do you want to come and experience it?

Wakayama is located on the southwest side of the Kii peninsula and is the largest peninsula in Japan! It abounds with natural beauty and historical assets. Its lush green mountains, crystal clear rivers, and a magnificent coastline that is over 600 kms long faces the Kuroshiro current of the Pacific ocean and lures visitors all year round. Particularly, Kamano-san-zan and Koya-san are ancient holy sites where people have gone on pilgrimages to since ancient times. Surrounded by tranquil mountains, these temples and shrines are two of Japan's most beautiful historical and cultural assets. These sites and the surrounding Kii mountain range have been designated as World Heritage Sites. Wakayama's mild climate and natural beauty make it an ideal venue for the Tasar World Championships in 2009.

It is conveniently accessible from Kansai International Airport and is close to other major tourist destinations including Kyoto, Nara, and Osaka.

- ✿ The summer sea-breeze there promises you exciting sailing
- ✿ Large, comfortable facilities and a great course area
- ✿ Good access from Kansai International Airport
- ✿ Close to major tourist attractions:
 - the nature and cultural landscapes are registered as a World Heritage

THE WORLD HERITAGE SITE

The Sacred Sites and Pilgrimage Routes in the Kii Mountain Range. Beautiful temples and shrines dedicated to Shinto and Buddhist deities are found amid the great natural beauty of the Kii mountain range.

WAKAYAMA MARINA CITY

Carefully designed to blend in harmoniously with its natural surrounding environment, this marina sits astride an artificial island in Wakaura Bay.

WAKAYAMA CASTLE

Originally constructed in 1585, this castle, located at the mouth of the Kii river, presents a magnificent 360 degree view of the city. It is located in a park with many old camphor trees and old stone ramparts.
